New Members

As a new member, we understand the difficulty of meeting partners to play against. Therefore, we encourage you to book a 15 minutes assessment with one of the coaches who will then be able to offer you a list of players of a similar ability to practice with.

This assessment will also help us to guide you to the available coaching sessions for your standard.

The Coaching Programme

The coaching program is offered for all ages and abilities, from Mini Tennis to National level players. It is designed to give players the tools necessary to enjoy a lifetime of playing tennis and to take him/her to whatever level he or she feels comfortable, whether that will be competitive play or simply to add a new facet and activity to their life.

The coaching programmes focus on strategy, technique, skills and conditioning. Our 5 coaches teach over 35 different coaching events per week, which will help you meet your tennis goals by refining your existing skills. Whatever your ability, please call us to help you enjoy your membership and keep fit.

If you feel unsure, please contact the coaches who would be able to lend you a racket to help you make the right decision.

Everybody is welcome.

Team coaching

- Men's Practice - Monday Nights
- Ladies Practice - Wednesday Nights
