# Coaching for Juniors @ Caversham Tennis Club

**GDT - Gary Drake Tennis - a professional and experienced team of tennis instructors managed by Gary Drake (former British Champion), offers all year round Junior programmes including individual lessons, weekly classes, drills, holiday camps, tournament preparation, team & performance coaching, tennis holidays.**

All Juniors are welcome with a progressive coaching programme on offer for all ages and abilities from the age of 4.

The program is designed to give the young player the tools necessary to enjoy a lifetime of tennis playing and to take that junior to whatever level he or she feels comfortable, whether that will be competitive play or simply to add a new facet and activity to their life.

## **Mini Tennis**

The instruction to develop basic tennis skills: eye-hand coordination, balance, footwork and a fun competitive spirit that will last a lifetime.

## **Junior Play**

The coaching programmes focus on strategy, technique, skills and conditioning. Our coaches will help you meet your tennis goals by refining your existing skills.

## **Performance Programme**

GDT is responsible as part of an LTA initiative, to manage many of Berkshire best tennis players aged between 8 and 15. These players range from County level to International.

Caversham LTC is very pleased that the programme offered by GDT provides Junior's the opportunity to develop from mini tennis players (age 4+) to international all through one club.

Have fun and enjoy your tennis!
